Vacation Exchange

Through Interval, you can trade your week or points for a week at one of hundreds of resorts around the world.

If You Own a Week
To get started, sign in to IntervalWorld.com, click the Exchange tab, and search for availability. If the vacation week that you want is available, you will receive an instant confirmation and you can get ready to travel. If you don’t find what you’re looking for, choose an exchange method — Deposit First or Request First.

With Deposit First, you relinquish your week to Interval, and when you are ready, you place an exchange request. Deposit First provides you the flexibility of up to a four-year travel window. Exchange anytime from two years before to two years after the first day of your home resort week. An early deposit will improve your opportunity for exchange confirmation over deposited weeks that enter the system later with comparable trading power. After you deposit your week, place a request in Interval’s exchange system.

If you think you may want to trade, but don’t want to give up the right to use your home resort week until you have a confirmed exchange, use Request First. Once you receive a confirmation, you will relinquish your week to Interval, and you can pack your bags.
If You Own at a Points-Based Resort
Use Request First. You will keep your points until Interval confirms that you have enough to make the exchange that you have chosen.

Placing an Exchange Request
When placing a request, be sure to request a minimum of three different resorts and at least one travel date; one resort and three travel dates; or two resorts and two travel dates. If one of your selections becomes available, you will be confirmed immediately.

Leave Tomorrow With Flexchange®
If you’d like to take a vacation sooner rather than later, you can request a vacation exchange from 59 days to 24 hours before check-in. You’ll also use Flexchange if you deposit your week 59 to 14 days before your home resort week starts. Visit IntervalWorld.com and see what's available today.

Exchange Is Better With Interval Gold
As an Interval Gold member, you have access to even more exchange privileges. For more information on the Interval Options and ShortStay Exchange benefits, turn to pages 10 and 11.

Exchanging is easy.
Sign in to IntervalWorld.com (and remember, it always costs less to exchange online), or call us at 800.828.8200 or 305.666.1884.

Where discounts are made available through the Providers, whether these discounts represent prices below the actual general market price for these goods and services depends entirely on the pricing policies of the sellers. Limitation of Liability of the Providers
Interval, WVT, and certain of the Providers act as distributors only and, as such, do not assume responsibility for any damage, expense, or inconvenience or for the loss, injury, or damage to or of any person or property from or related to the use of any product or service in transit to or from any resort, hotel, motel, movie theater, or restaurant from any cause whatsoever. Further, the Providers do not assume any responsibility for any participating hotel, restaurant, or other individual or entity providing goods or services in the program.

The Providers shall have no liability to you as a seller of any products or services including, without limitation, any liability for any defective product, or any liability for those products or services supplied by participating merchants, vendors, and/or suppliers. No warranty expressed or implied, including any warranty of merchantability or fitness for a particular purpose, is made by the Providers with respect to: any products ordered; any information provided or delivered; and/or any services available through participating merchants, vendors, or suppliers. A Provider’s liability to you in any event is limited to the amount that
you have paid to the Provider for your membership, product, or service, and a Provider shall in no event be liable for consequential or incidental damages.

Interval, WVT, and the other Providers shall not have any liability for any errors, omissions, or misrepresentations regarding information, rates, or tour itineraries provided by resorts, cruise lines, airlines, tour operators, or other providers thereof. The Providers arrange travel and accommodations and render other services in connection therewith as an intermediary or an agent for the individual desiring such travel accommodations upon the express condition and agreement that the Providers shall not be liable for any injury, loss, damage, accident, delay, irregularity, inconvenience, or expenses arising from strikes, war, weather, quarantines, sickness, government restrictions or regulations, or from any act or omission of any individual, firm, or corporation furnishing accommodations, rental cars, transportation, or any other service in connection therewith, or for any additional cost or expense due to disruption or change of advertised schedules, rates, or services, delays, cancellations, mechanical breakdown, strikes, war, terrorist acts, acts of God, or for any other cause beyond their control. Payment in full for such services shall be deemed to constitute an acceptance of this limitation of liability.

Neither WVT nor Interval is involved in the sale of real estate, and nothing in these terms is a solicitation or an offer to purchase real estate. Some resorts to which you may be confirmed may have ongoing sales of full or partial ownership of real estate or other vacation ownership interests and neither you nor your guests are required to participate in any such sales presentations.

**Interval Options**

Except where indicated to the contrary herein, all Terms and Conditions of Individual Membership and Exchange set forth in the *Interval International Resort Directory* shall apply to your use of these services through the Interval Options® program.

Through the Interval Options Program, Interval Gold members may exchange their Home Resort accommodations for a credit against cruise, spa or golf vacations, as well as tours and certain other travel services. The exchange criteria of the Home Resort unit may not necessarily represent the fair rental value of such unit. Only one Home Resort unit may be used for each cruise, golf vacation package, tour package, or spa vacation package, regardless of number of occupants.

An exchange transaction fee shall be paid at the time of placing the exchange request. A supplemental fee, which varies according to the vacation selected and unit or points relinquished, will be charged at the time of confirmation. For cruise exchanges, the supplemental fee will be based on many factors, including the cruise line selected, itinerary, length of the cruise, season and travel dates, and cabin and deck choices. For golf and spa exchanges, the supplemental fee will be based on factors that include the facility/location selected, length of vacation package, season and travel dates, and package components/services selected. For the exchange of accommodations for tours, the factors include the tour destination, length of tour, season and travel dates, accommodations, and tour package components/services. All supplemental fees are based on double occupancy. Third/fourth guests sharing the same cabin/room are additional. Single supplements are an additional fee. The supplemental fee does not include port charges for cruises, governmental fees, taxes, transfers, or other surcharges, including, but not limited to energy surcharges levied by some resorts.

Incidental services, such as spa treatments, ground transportation, golf rounds, etc., that are included in the package price will be specified on confirmation. Other such services available may be at an additional charge. Use of signature golf courses may also require additional fees.

Promotional or discount coupons may not be applied toward cruises or vacation packages booked through Interval Options. Interval Options exchange confirmations may not be sold, bartered, or exchanged for other consideration. However, Interval Options exchange confirmations obtained may be assigned by purchasing a Guest Certificate.

All Interval Options exchange requests shall be subject to such reasonable procedures as Interval may specify from time to time. All requests will be confirmed on a space-available basis; no guarantee is given that any specific request will be confirmed. Cruises will be made available through major cruise providers. Golf and spa vacation packages will be made available through golf and spa tour operators or individual properties. Interval Options is limited to certain decks, cabins, and availabilities, and certain other restrictions apply. During peak travel and holiday weeks, cruise, golf, and spa opportunities will be limited, and additional surcharges including, but not limited to, energy surcharges and minimum-stay requirements may apply. Certain blackout dates may apply and rates may vary by season.

**Trip Cancellations and Refunds**

Trip cancellations may be subject to cancellation penalties and additional fees by the carrier or travel provider. Cancellation policies vary by the type of trip purchased and the carrier, car rental company, cruise line, tour operator, etc. For instance, some airfares are nonrefundable. Most airlines will charge an additional fee when you exchange your ticket for another travel date. If the purchaser cancels or changes a trip, he or she may or may not be due a refund. Any refund will be subject to the applicable cancellation policy in effect for the trip.

**Freight, Delivery, and Set-Up Charges**

Where you purchase products using your Interval Gold membership, you may be required to pay freight, delivery, and/or set-up charges as established by the applicable supplier. Always make sure you understand whether any such charges will apply to the product(s) you are considering and, if so, how they will be determined prior to completing any purchase of products.
