Exchange

It's good to change.

You're going to get so much more from your holidays. Not only do you now have a great resort to retreat to every year, you can also opt to holiday in a different location, or at a different time of year, with thousands of vacation exchange choices. It's great for a change of pace, and offers you so much flexibility.

To get started, go to the online Resort Directory at IntervalWorld.com. When you've decided where you would like to holiday, click the Exchange tab, search for availability and then pick the week you would like to relinquish. Next, select the week that you want in exchange; if it's available, you'll receive an instant confirmation. If you don't immediately find what you're looking for, choose an exchange method — Deposit First or Request First.

Exchange Tips

- 1 **Deposit your week as early as possible** — up to one year before it starts. An early deposit will improve your opportunity for exchange confirmation over deposited weeks with equivalent trading power.
- 2 **Place a formal holiday request** as far in advance as possible. Requests will be confirmed on a first-come, first-served basis against any comparable requests.
- 3 **The more options** you give us on where and when you want to travel, the better your chances of getting confirmed.

Expand your horizons with exchange — only Interval offers you the flexibility of two exchange methods!

Use **DEPOSIT FIRST** when you know you want to go somewhere other than your home resort. You receive the flexibility of up to a three-year travel window to exchange. Deposit as early as possible to increase your trading power. Depositing your week is easy. Just sign in to IntervalWorld.com or call **0844 701 4444**.

Go with **REQUEST FIRST** when you are interested in making a trade, but want the security of holding on to your resort week or points until you've received a confirmation to your liking.

After you pick an exchange method, place a request and let us search for you. If your selection becomes available, you will be confirmed automatically. Availability changes daily, and the week you want may become available at any time.

FLEXCHANGE

Through Flexchange, you can request a vacation exchange from as many as 59 days to just 24 hours before check-in. You'll also use Flexchange if you deposit your week 59 to 14 days before your home resort check-in date.

You can find a list of our current top Flexchange destinations in every issue of *Interval World* magazine, or you can go to IntervalWorld.com and search by a specific location and date. Before you know it, you'll be on your way to an exciting and new experience!

Don't forget, you can search, plan and book your holiday online, at your convenience at IntervalWorld.com.

Residents outside the UK, please refer to your *Resort Directory* for applicable office telephone numbers. Interval International and its third-party service providers attempt to make available a wide variety of goods and services offered by the sellers of transportation, lodging and entertainment.
