10% discount when you buy Majorica, plus a free gift if you visit the factory shop in Manacor

Majorica: the art of creating jewellery and unique organic pearls. In 1890 (the year it was established), on the island of Mallorca, Spain, Majorica invented a unique and refined organic pearl-production process that mimics the refinement of cultured pearls.

A Majorica pearl comprises a crystal opal core, coated in multiple, thin layers of “pearl essence”, an extract obtained from organic elements of the Mediterranean Sea and created using a unique technique that remains a closely guarded secret. Its complex formula reproduces the iridescence, beauty, strength and perfection of the finest natural pearls.

All pearls have a 10-year warranty.
