So, turn the page and see all the amazing opportunities that are available to you right now!

Vacation Exchange

Through Interval, you can trade your week or points for one of hundreds of resorts around the world.

To get started, go to the online Resort Directory at IntervalWorld.com. Once you've decided that you want to exchange, choose an exchange method — Deposit First or Request First.

With Deposit First, you relinquish your week to Interval, and when you are ready, you place an exchange request. Deposit First provides you the flexibility of up to a three-year travel window. Exchange anytime from one year before to two years after the first day of your home resort week. Members using points will have two years from the date of deposit to travel. An early deposit will improve your opportunity for an exchange confirmation over deposited weeks with comparable trading power.

If you think you may want to trade, but don't want to give up the right to use your home resort week until you have a confirmed exchange, use Request First. With Request First, you will make a request without depositing your week. Once you have a confirmed exchange, you will relinquish your week or points to Interval, and you can pack your bags.

Regardless of which exchange method you choose, the sooner you place a request and let Interval know where you want to go, the better your chances for a confirmation. If your selection is available, you will be confirmed immediately; if not, place a request in our exchange system and let us do the searching for you. Availability changes every day, and the week you want may become available at any time. Be sure to request a minimum of three different resorts and at least one travel date; one resort and three travel dates; or two resorts and two travel dates.

Depositing your week is easy.

Just sign in to IntervalWorld.com or call us at +44 (0) 844 701 4444.

Leave tomorrow with Flexchange.

If you'd like to take a holiday sooner rather than later, you can request a vacation exchange from 59 days to 24 hours before check-in. You'll also use Flexchange if you deposit your week 59 to 14 days before your home resort week starts. Go to IntervalWorld.com and see what's available today.

Limitation of Liability of the Providers

Interval, Interval Travel Limited and certain of the Providers act as distributors only and, to the extent permitted by applicable laws, do not assume responsibility for any damage, expense or inconvenience or for the loss, injury or damage to or of any person or property from or related to the use of any product or service in transit to or from any resort, hotel, motel, cinema or restaurant from any cause whatsoever, except for any personal injury or death resulting from the Providers' own negligence. Further, the Providers do not assume any responsibility for any participating hotel, restaurant or other individual or entity providing goods or services in the programme.

The Providers shall have no liability to you as a seller of any products or services including, without limitation, any liability for any defective product, or any liability for those products or services supplied by participating merchants, vendors, and/or suppliers. No warranty expressed or implied, including any warranty of merchantability or fitness for a particular purpose, is made by the Providers with respect to any products ordered; any information provided or delivered; and/or any services available through participating merchants, vendors or suppliers. To the fullest extent permitted by applicable law, Interval, Interval Travel Limited and the other Providers shall not have any liability for any errors, omissions or misrepresentations regarding information, rates or tour itineraries provided by resorts, cruise lines, airlines, tour operators or other providers thereof. The Providers arrange travel and accommodation and render other services in connection therewith as an intermediary or an agent for the individual desiring such travel and accommodation upon the express

condition and agreement that the Providers shall not be liable for any injury, loss, damage, accident, delay, irregularity, inconvenience or expenses arising from strikes, war, weather, quarantines, sickness, government restrictions or regulations, or from any act or omission of any individual, firm or corporation furnishing accommodation, car hire, transportation or any other service in connection therewith, or for any additional cost or expense due to disruption or change of advertised schedules, rates or services, delays, cancellations, mechanical breakdown, strikes, war, terrorist acts, acts of God or for any other cause beyond its control. Payment in full for such services shall be deemed to constitute an acceptance of this limitation of liability.

Neither Interval Travel nor Interval is involved in the sale of real estate, and nothing in these terms is a solicitation or an offer to purchase real estate. Some resorts to which you may be confirmed may have ongoing sales of full or partial ownership of real estate or other vacation ownership interests and neither you nor your guests are required to participate in any such sales presentations.

Interval Options

Except where indicated to the contrary herein, all Terms and Conditions of Individual Membership and Exchange set forth in the *Interval International Resort Directory* shall apply to your use of these services through the Interval Options programme.

The member must own a holiday interest at a member resort and be in good standing with the Home Resort and both the basic and upgraded memberships must be active through the confirmed date or the relinquished Home Resort date (whichever occurs later) for a cruise, rail and coach tour, guided holiday or any other holiday package associated with Interval Options.

All Interval Options exchange requests must be Request First. No Deposit First or instant confirmations are permitted. The Home Resort must be in good standing with Interval, and the Home Resort unit must be deemed available for occupancy by Interval at the time of the exchange request. Lock-off units are not eligible for use with Interval Options exchanges. Members who own at resorts requiring a Written Verification Form prior to utilising the Exchange Programme must secure such written verifications prior to placing an Interval Options exchange request. Members will not give up their right to occupy their Home Resort unit until an Interval Options exchange has been confirmed. Upon confirmation, however, all rights to the use of the Home Resort unit for the relinquished week or points are immediately assigned to Interval and may be used by Interval for commercial, corporate and/or promotional purposes. All Interval Options exchange confirmations are final and fees are nonrefundable. Travel insurance is available at the time of confirmation and is strongly recommended.

All Interval Options exchange requests must be placed at least 90 days prior to the initial occupancy date of the Home Resort unit relinquished for such Interval Options exchange. The initial occupancy date of your Interval Options exchange may be prior to or subsequent to the occupancy date of the Home Resort unit relinquished, but shall be no later than the advance booking date of the holiday supplier. The Home Resort unit relinquished may not be more than 18 months after the confirmed holiday package occupancy date.

The exchange criteria of the Home Resort unit may not necessarily represent the fair rental value of such unit. Only one Home Resort unit may be used for each cruise, rail and coach tour, guided holiday or any other holiday package, regardless of number of occupants.

An exchange transaction fee shall be paid at the time of placing the exchange request. A supplemental fee, which varies according to the holiday selected and unit or points relinquished, will be charged at the time of confirmation. For cruise exchanges, the supplemental fee will be based on many factors, including the cruise line selected, itinerary, length of the cruise, season and travel dates, and cabin and deck choices. For all other exchanges, the supplemental fee will be based on factors that include the facility/location selected, length of holiday package, season and travel dates, and package components/services selected. The amount of the fee is also determined, in part, by the exchange demand of the Home Resort week, as well as the quality and size of the unit relinquished. All supplemental fees are based on double occupancy. Third/fourth guests sharing the same cabin/room are additional. Single supplements are an additional fee. The supplemental fee does not include port charges for cruises, governmental fees, taxes, transfers or other surcharges, including, but not limited to energy surcharges levied by some resorts.

Incidental services, such as spa treatments, ground transportation, golf rounds, etc., that are included in the package price will be specified on confirmation. Other such services

available may be at an additional charge. Use of signature golf courses may also require additional fees.

Promotional or discount coupons may not be applied towards cruises or holiday packages booked through Interval Options. Interval Options exchange confirmations may not be sold, bartered or exchanged for other consideration. However, Interval Options exchange confirmations obtained may be assigned by purchasing a Guest Certificate.

All Interval Options exchange requests shall be subject to such reasonable procedures as Interval may specify from time to time. All requests will be confirmed on a space-available basis; no guarantee is given that any specific request will be confirmed. Cruises will be made available through major cruise providers. Rail and coach tour packages will be made available through Titan Hi Tours. Guided tours will be made available through The Big Journey Company. Interval Options is limited to certain decks, cabins and availabilities, and certain other restrictions apply. During peak travel and holiday weeks, cruise, rail and coach tours, guided holidays and other opportunities will be limited, and additional surcharges including, but not limited to, energy surcharges and minimum-stay requirements may apply. Certain blackout dates may apply and rates may vary by season.

Important Considerations Regarding Travel and Entertainment Benefits

Payment

It's faster and easier for purchasers to charge their purchase to a Visa, MasterCard or American Express. Interval Travel can also accept a cheque or money order for balance payments. As soon as full payment is received, Interval Travel will issue travel documents and confirmations.

Trip Cancellations and Refunds

Trip cancellations may be subject to cancellation penalties and additional fees by the carrier or travel provider. Cancellation policies vary by the type of trip purchased and the carrier, car hire company, cruise line, tour operator, etc. For instance, some airfares are nonrefundable. Most airlines will charge an additional fee when you exchange your ticket for another travel date. If the purchaser cancels or changes a trip, he or she may or may not be due a refund. Any refund will be subject to the applicable cancellation policy in effect for the trip.

Freight, Delivery and Set-Up Charges

Where you purchase products using your Interval Gold membership, you may be required to pay freight, delivery and/or set-up charges as established by the applicable supplier. Always make sure you understand whether any such charges will apply to the product(s) you are considering and, if so, how they will be determined prior to completing any purchase of products.

Governing Law

These Terms and your membership will be governed by and construed under the laws of England, excluding only its conflict of law provisions. To the extent allowed by applicable law, you agree to the exclusive subject matter and personal jurisdiction of the courts of England. No provision of these Terms will affect your statutory rights as a consumer.
